

2023 TFHKA Call for Speakers Presenter Information

Are you an experienced Touch for Health practitioner, or health professional with insights and expertise to share with the TFHKA community? We are looking for enthusiastic people who are willing to share their passion for Touch for Health, Kinesiology, and energy balancing as a Speaker at our Annual TFHKA Conference, and other events.

TOPICS for TFHKA Presentations

For the TFHKA Conference and workshop presentations we are looking for topics that are relevant to supporting continuing education for Touch for Health, Energy Balancing, and building a successful practice/ business using Energy Kinesiology and related Wellness modalities:

TFH Students - Topics to include, but not limited to:

- Muscle Testing
- Understanding TFH Philosophy and Principles
- Overcoming Balancing Challenges
- Gaining Confidence
- Goal Setting
- Using specific balancing protocols
- Integrating TFH into your life
- Integrating TFH into your practice (as a professional in..._____)
- Anything and Everything related to becoming a proficient Touch for Health student, and not just being a student who attended a workshop, and never started using TFH
- Helping students take what they've learned and get confident to use TFH for themselves and to share with friends and family as was John Thie's goal for TFH..

TFH Instructors - To include, but not limited to:

- Teaching Techniques
- Business & Marketing Support
- Teaching Admin Responsibilities
- and/or any topic related to helping TFH Instructors do an excellent job at
 - teaching
 - mentoring students
 - helping to guide students thru all 4 levels of TFH, *(and hopefully encouraging their students to continue on to become a TFH Instructor / Consultant.)*

TFH Instructor/Consultants

To include, but not limited to everything for Instructors above, as well as topics helpful for working with clients as a consultant.

- How to build your TFH consultant practice
- How to keep clients coming back regularly for "balances."
- How to market your consulting practice....
- And anything else that can be of value to a TFH Instructor/Consultant.

2023 TFHKA Call for Speakers Presenter Information

CALL FOR SPEAKERS - PRESENTER APPLICATION INFORMATION:

- TFHKA wants to provide as many members as possible the opportunity to present at our Annual Conference and other events. Which means we are actively looking for presenters.
- Priority will be given to TFHKA members, but TFH Instructor/Consultants, and Health Professional in all fields from across the globe are encouraged to submit topics for presentations. We welcome the opportunity to network with our global community and are excited to be able to share relevant content, TFH, and Energy Balancing education from experts in the field.
- Currently there is not a limit to how many applications you can submit. While this might change at a future date, right now, we welcome submissions for any/all topics you are willing to share at a TFHKA Annual Conference or other TFHKA hosted event.
- Applications will be approved in the order they are received, and you will be contacted when a submission has been approved.
- While we ask that you do not “pitch” for your own personal programs or products, the visibility that presenting at a TFHKA Conference or other workshop/training event provides will allow participants the opportunity to reach out to you after the event if they are interested in connecting with you. You will be able to share your website, and/or email, newsletter sign up during your presentation.

In preparing your Presenter Application Form, please note below presentation time lengths you may choose from for your workshops

Length of Conference Presentations:

30 minutes
60 minutes
90 minutes

Other Presentations:

**Keynote, Pre or Post Conference Workshop,
or Special Event (Live or Virtual)**
